2026 New Jersey Envirothon Mini-Grant Application

To help schools in Atlantic, Camden and Cape May Counties, the DelAtlantic Conservation District is offering grants to teams in the Tri-County region. The grant will offset the registration fee of $100 and other fees, i.e., overnight camping, if incurred, up to a maximum of $165.

Teams registering will be eligible for the grant. **You may apply for the grant only after you have registered for the 2026 Envirothon.** If your school is registering more than one team, a mini-grant application needs to be completed for **each team**.
